

Yankee Springs Recreation Area

Tuesday July 15:

Team Michigan Mammals: The Raccoon, 3:00pm at Gun Lake Site 154

Learn about our Michigan Raccoon and fill out this mammals stats card. Collect all the cards throughout the week and join me for a mammal celebration on Saturday!

Wednesday July 16:

Read with Me, 10:00-11:00am at Gun Lake Site 154

Join me for a mammal story then feel free to stick around and read some more. Read and collect nature facts (at least 10) over the month of July!

Team Michigan Mammal: The Skunk, 1:00pm at Gun Lake Site 154

Let's learn about the striped skunk and how it survives so well in MI!

Scat?! What's That?, 3:00pm at Gun Lake Site 154

Don't know what scat is? Let's explore and find out!

Thursday July 17:

Team Michigan Mammals: The Fox, 3:00pm

Did you know that we have two different types of foxes in Michigan? Let's learn a little about each and how they manage to live together!

Friday July 18:

Michigan Mammal Celebration!, 11:00am at Gun Lake Site 154

Join me in an end of the week celebration to celebrate our Michigan Mammals. Use what you learned throughout the week to vote on Yankee Springs Mammal of the Year!
